Sir,

I have the honor to report, that, with a view to improve the finances of the Shimoga municipality, the municipal Board of the town, propose to levy market fees at the rates noted in the margin on every bullock cart, and, bullock and headload entering the town on weekly Sante days, similar to those levied in the Municipalities of Jagalur, Chitradurg and Molkalmuru.

Every laden cart drawn by two bullocks coming to the market place	2
2 do by one bullock	1
3 on every laden ass or bullock do	
4 on every headload	

2 The system, if sanctioned, is calculated to fetch an additional revenue of Rs 1000 per annum to the municipality. The members of the Board, are of opinion that this source of income, which causes no hardship to the people, will tend to better the financial condition of the municipality — and they would be able to carry out some important Sanitary improvements

3 In the interests of this town, which requires several improvements from a sanitary point of view, I beg to recommend that Government sanction may kindly be accorded to the levy of the proposed fees tentatively for 2 years with effect from 1st July 1910

4 The copy of the Board's resolution in the matter, is herewith submitted for the information of Government

I have the honor to be,
Sir,
Your most obedient servant

President
